Text extraction quirks

1. Normal 11 pt text (real space characters)
Quarterly revenue rose in every region.

2. Words placed one by one, 2.2 pt apart, no space characters
Quarterly revenue rose in every region.

3. Letter-spaced heading (character spacing 4.5 pt)
S U M M A R Y

4. Fake bold: the same text drawn twice, 0.4 pt apart
Total due

5. Tiny 5 pt footnote, words placed 1.2 pt apart

Figures are unaudited and may be revised.

6. Ligature glyphs (embedded font)
The final figures were flagged for review.
